SPRING 2025

LACROSSE®

HUNT MILES AHEAD

We keep our gear prepped and our boots by the door because there is no off season, no “sitting this one out.” We do whatever it takes, for as long as it takes, always striving for better. With experience as our compass, we press on, driven by the promise of what lies ahead.

LACROSSE®

WE’RE COMMITTED TO MOVING YOU FORWARD,
ENABLING YOUR CONNECTION WITH THE OUTDOORS.

DEDICATED TO THE LAND.

DEVOTED TO THE HUNT.

nwtf

PRESERVING THE HUNT.

Turkey hunting is way of life for many Americans, and we proudly support it. Together with the National Wild Turkey Federation we are conserving wild turkeys and protecting our deep hunting heritage.

MAUI NUI VEN SON

HARVESTING ECOLOGICAL BALANCE

Maui's ecology depends on the management of the island's increasing axis deer population. We're proud to partner with Maui Nui Venison to support their community-driven mission to maintain ecological balance and reimagine renewable food resources on the island.

DELTA WATERFOWL

MEET THE MARSH.

The first time hunting waterfowl is an incredible experience. To encourage more people to join in the sport, we are proud to support First Hunt, North America's largest waterfowl hunter recruitment program.

DEDICATED TO THE LAND.

DEVOTED TO THE HUNT.

Proud to Support

THE FUTURE STARTS TODAY.

For generations, we have been a part of the agriculture community. That continues today, as we partner with the FFA to support young men and women who are preparing for careers and leadership in agriculture.

RMEF

HUNTING IS CONSERVATION

With a far-reaching, holistic approach to land and conservation work, the Rocky Mountain Elk Foundation works to protect and restore millions of acres of habitats and the wildlife populations within them. Their commitment rings true to our core as hunters and outdoorsmen, and we are honored to be among the chorus of voices that make RMEF what it is today.

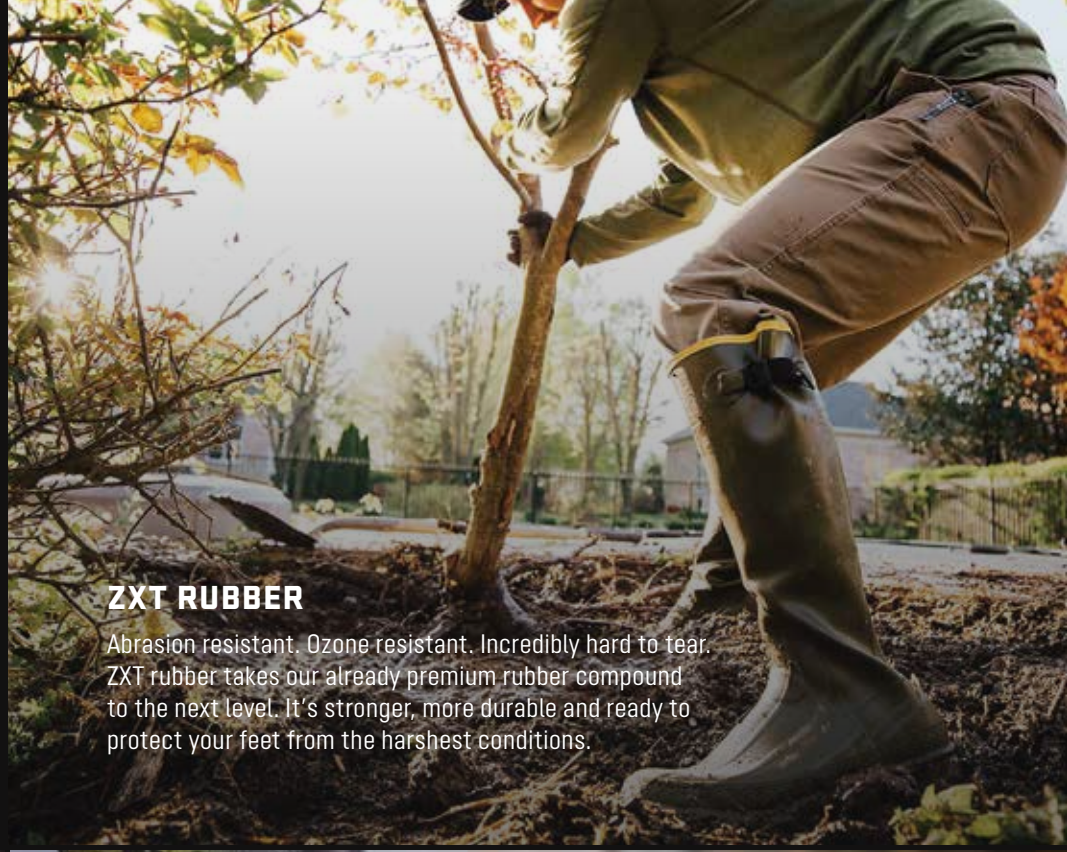
NATIONAL DEER ASSOCIATION

BOOTS ON THE GROUND.

Managing a sustainable deer population is a year round responsibility. So we've partnered with the National Deer Association to inspire action through research, education, and new hunter recruitment to ensure a bright future for deer hunting.

LACROSSE BOOT

SIGNATURE FEATURES



ZXT RUBBER

Abrasion resistant. Ozone resistant. Incredibly hard to tear. ZXT rubber takes our already premium rubber compound to the next level. It's stronger, more durable and ready to protect your feet from the harshest conditions.

AIR-CIRC

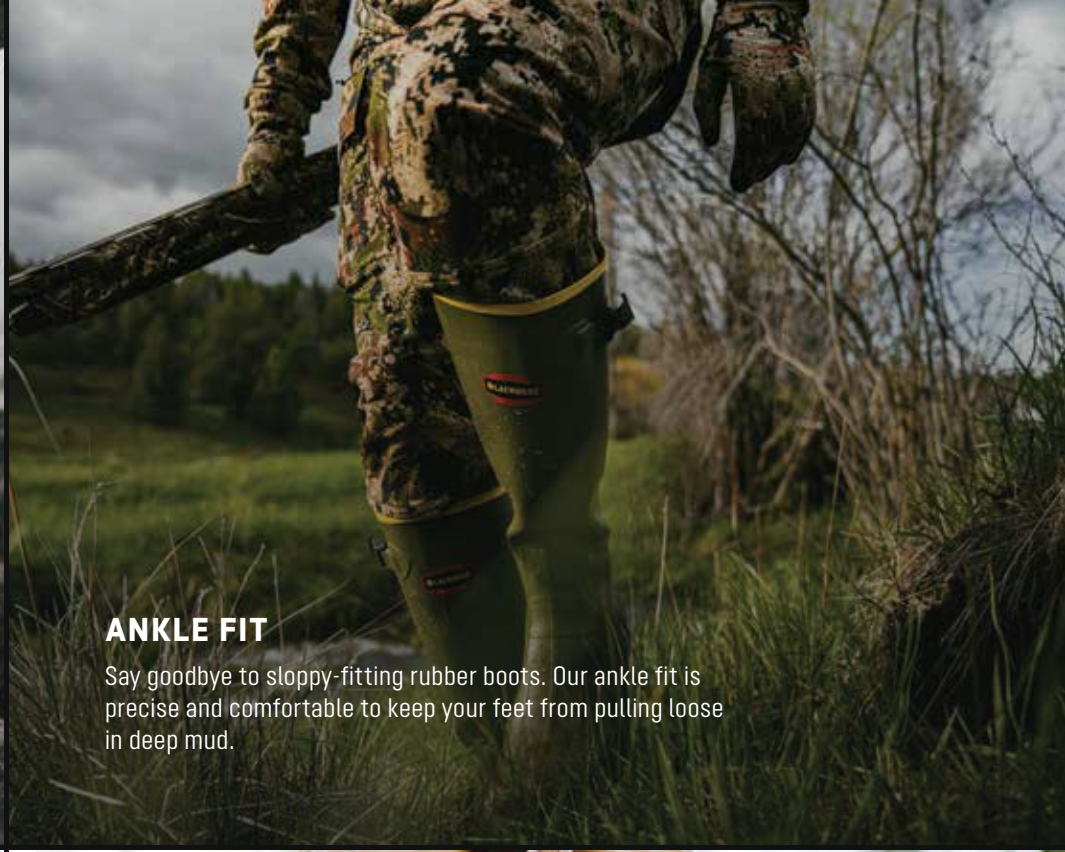
Our multi-layered Air-Circ system promotes airflow inside of the boot, keeping feet cooler and drier. To do this, we combine a perforated foam liner with a thick mesh layer that together draws moisture away from the foot and allows air to circulate within the boot.

ALPHA CONSTRUCTION

With hand-laid rubber layered over naturally-insulating neoprene, our Alpha Construction re-imagines the classic rubber boot to create the optimal balance of durability and flexibility with 100% waterproof construction.

FUNCTIONAL GUSSET

Big calves. Little calves. No problem. Our signature gusset accommodates various calf sizes and also make it easy to tuck pants in. Plus, it allows you to roll down the boot when it gets warm.

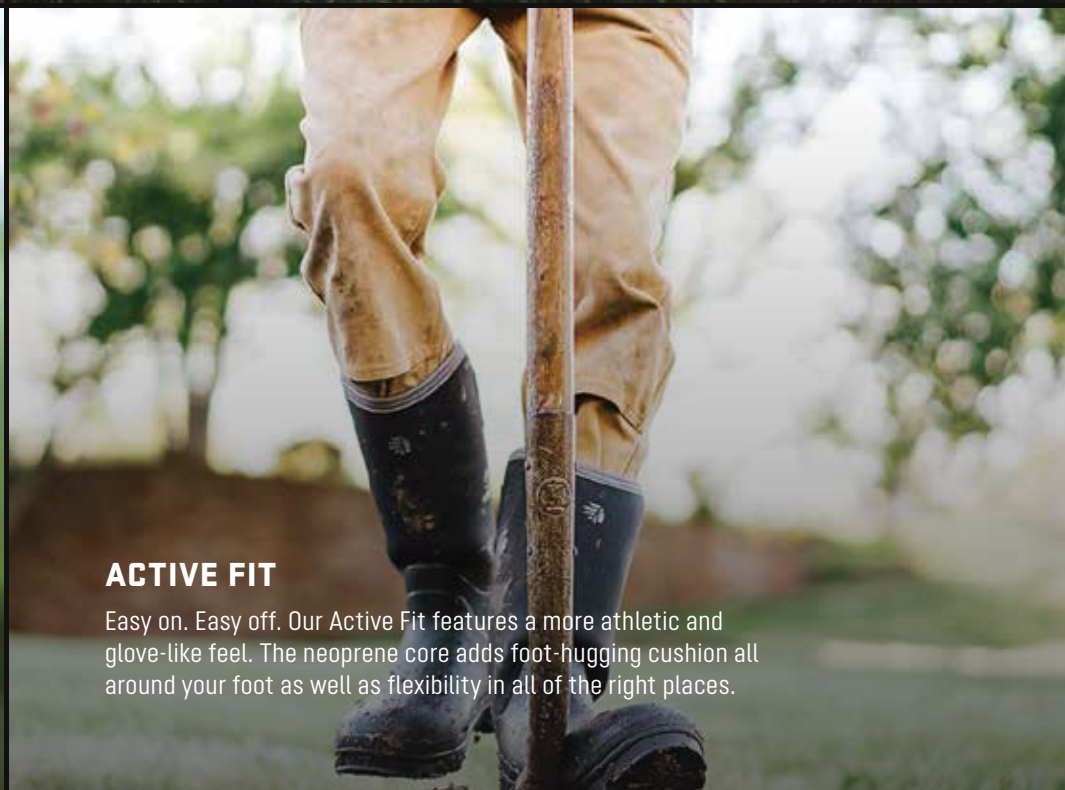


ANKLE FIT

Say goodbye to sloppy-fitting rubber boots. Our ankle fit is precise and comfortable to keep your feet from pulling loose in deep mud.

ALPHA FIT

A level of comfort like never before in rubber footwear. Alpha Fit is designed to give you a truly precision fit by offering half sizes and two widths.



ACTIVE FIT

Easy on. Easy off. Our Active Fit features a more athletic and glove-like feel. The neoprene core adds foot-hugging cushion all around your foot as well as flexibility in all of the right places.

EVERY SEASON. EVERY HUNT. THE URSA COLLECTION

The Ursa collection is made to exceed the demanding standards set by the specialist.
if it bears the Ursa name, it will get you closer — no matter the season or conditions.

URSA ES 8”

A light and agile boot for the excitement of early season.

URSA ES | BROWN/YELLOW

URSA ES | GUNMETAL/ORANGE

URSA MS 9”

A premium, versatile midseason boot that conquers to challenging mountain terrain.

URSA MS | GUNMETAL/ORANGE

URSA MS | BROWN/YELLOW

URSA LS 10”

Ready-for-everything protection to push confidently into late season.

URSA URSA LS | BROWN/YELLOW

URSA LS 400G 10”

The insulated Ursa LS tackles the toughest terrain and protects against challenging conditions.

URSA LS 400G | GUNMETAL/ORANGE

YOUTH

YOUTH WADER SIZE CHART

BOOT SIZE	INSEAM	OUTSEAM	CHEST/WAIST
13	23	32	30
1	24	34	31
2	26	37	31
3	26	38	34
4	27	41	36
5	28	45	38
6	29	47	39
7	31	50	42
8	33	54	44

Neoprene waders can accommodate a range of sizes DUE to the high degree of stretch.

BOOT SIZE Waders are available in full sizes and one width only.
It is recommended that half sizes order the next full size listed on the chart.

INSEAM Measurement from crotch to floor

OUTSEAM Measurement from armpit to floor

CHEST/WAIST Measurement around widest part of chest or waist

MEASUREMENTS MAY VARY +/- 1" DEPENDING ON STYLE.

MALLARD II

700320

STYLE	PATTERN	BOOT INSULATION	UPPER INSULATION
